

Richmond City Baseball Association

Sponsorship Opportunities

Richmond City Baseball Association (RCBA), established in 2008, is a volunteer run non-profit organization with a strong history of providing baseball programs to young athletes ranging from 5-18 years of age.

RCBA has served our community well for many years providing a pathway for the development and growth of young athletes in this wonderful sport of baseball which is so loved around the world. We offer opportunities for those wanting to learn and play recreationally in grass roots to those who are dedicated in advancing through our high-performance programs.

As a proud organization, we stress commitment, teamwork, fair play, kindness and respect both from the players, coaches and parents alike.

We believe the value of the sport is not only in the game itself but what remains when it is over, and that is the established long-lasting friendships and relationships which carry on for many generations. RCBA has indeed been very successful in this regard and our hope is that this tradition continues. We consider all of us a closed knit family and this I speak from experience.

To move forward and provide high-quality coaching for our athletes it is difficult to keep up with the increasing costs associated with operations and maintaining our fields and facilities. This creates opportunities to form a special partnership between businesses and brands in our community.

We offer value branding opportunities enabling us to provide high visibility and exposure to a wide and growing audience not only throughout the baseball season but all year long.

Supporting RCBA will enable our organization to operate, help us keep the costs of registration down and increase awareness of your company's products and services and provide goodwill within our community.

Ultimately, we are all here for the children and want to make their experience as enjoyable as and memorable as possible.

We would like to thank you for your consideration and look forward to working with you and your organization to provide a mutually beneficial relationship.

Sincerely,

Chris Dyck
RCBA Treasurer
